93.9% delegate rating

"David is one of the best engineering trainers I have come across. He is able to demonstrate complex high-tech details effectively."

"Even if you already understand LOPA you will benefit from the insights this course offers."

"Excellent. Am going back from the training with a better understanding of how LOPA works and enthusiasm to facilitate one."

Trainer Profile

**David Sparkes - Technical
Director - Method Process Safety**

I'm an experienced process engineer with a solid background in plant support, capital projects and control system design. My work with =Method eventually led to me becoming Technical Director of Method Process Safety Ltd.
